GENE WARS

NEW

Cross-breed
your way to
universal
supremacy!

Conquering worlds isn't what it used to be, when war was war. You got up in the morning, slaughtered the enemy until noon, had a nice lunch, a short nap, and then suited up for an afternoon of carnage and bloodshed. No more. Now the no-good, peace-nik, leaf-eating Ethereals are telling everyone that they'd better clean up the worlds, put away their weapons and live in harmony—or else. That means you gotta be SNEAKY.

3-D SVGA terrain

4-player network

30 planets to 'restore'

Bio-genetically cross breed 5 types of creatures

Control 4 different characters (Engineer, Ranger, Botanist and Geneticist)

Don't lose your patients in *Theme Hospital*, the chaotic business game

COMING SOON

Theme Hospital is the latest brain-child of the team that brought you *Theme Park*. It combines the same crazy humor and fast-paced gameplay of its predecessor, but features hi-res SVGA graphics and much more complex and realistic AI.

Network and modem multiplayer support.

DOS and Native Win95.

Build and manage the best and most profitable hospital in the world.

Diagnose and cure over 40 hilarious diseases.

Hire and fire staff.

Research and develop your own drugs.

Ruin competing hospitals by sending incurable patients to them.

ADVANCED TACTICAL FIGHTERS

Jane's Combat Simulations presents the next generation of air combat in the fighters of the early 21st century with *Advanced Tactical Fighters*, the sequel to the smash hit *U.S. Navy Fighters*. *Advanced Tactical Fighters* combines superior graphics and simulation technology with the vast military expertise of Jane's Defence Information to create a truly authentic future of air combat. Speed, Stealth and Agility will rule the skies!

Fly Seven Exotic Technology Aircraft, including the X-31 EFM, the F-22A Rapier, B-2A Spirit and the Rafale C.

Multiplayer Cooperative or Competitive dogfighting with up to 8 people on a network, or two player via a modem.

Jane's All the Worlds Aircraft multimedia reference guide — packed with photos, technical specs, and over 30 minutes of rare, in-flight footage.

Enhanced effects include new explosions, enhanced terrain, and over 90 distinct shapes for damaged aircraft — watch enemy airplanes lose wings and break in half.

We build sims by the book.

EXTREME AGILITY

Jane's Combat Simulations presents multiplayer dog-fighting in the most agile warplanes in history. Rule the skies over Europe with *NATO Fighters*, an add-on data disk for *Advanced Tactical Fighters*. With four new aircraft, more weapons and more missions, *NATO Fighters* immerses you in high-intensity air combat!

NEW

4 highly maneuverable new planes: F-16 Fighting Falcon, Saab Gripen, EuroFighter 2000 and Su-35

All new Baltic Campaign: 40 new missions based on intelligence from Jane's Information Group.

New weapons: cluster bombs, backfiring missiles, and more targets to use them on!

An expanded Jane's Reference Guide includes all technical data, footage and photos of the NATO Fighters lineup.

AH-64 LONGBOW: FLASH POINT KOREA THE BEST JUST GOT BETTER

The most critically acclaimed flight sim of the year is now even better! *Flash Point Korea* is the highly anticipated companion CD for Jane's *AH-64 Longbow*, with brand new features and over 140 new missions!

COMING SOON

All-new Korean campaign features steeper, more challenging terrain.

Fly as the Pilot or the Co-Pilot/Gunner with accurately-modeled avionics for both positions.

Confront an enhanced combat intelligence system.

Prove your skills in over 100 new single missions.

Tear up the battlefield with powerful new weapons.
